

Invitation to Rediscovery: A Retreat for Men

In the midst of life's whirlwind, moments to reconnect, rediscover, and rejuvenate often remain elusive. We are excited to extend a special invitation to you, beckoning you towards a transformative weekend steeped in unity, understanding, and spiritual growth.

Nestled in the hills of southern Ohio, our retreat promises not just knowledge but also serenity.

Set sail on your journey with "The Gathering of Warriors" feast. Let the ambiance, shared wisdom, and camaraderie wash over you as we introduce the retreat's theme.

Engage with the essence of Biblical masculinity. Whether it's understanding the profound "Six Pillars", dispelling myths of masculinity, or drawing inspiration from Christ's teachings, each session is designed to resonate, inspire, and empower.

This retreat is more than an event; it's a sanctuary, a space where you can rekindle your inner warrior, builder, and priest. Embrace the virtues of Biblical masculinity and chart a course that honors your divine role.
